ORDER:

In the reference 1st read above, the Chief Commissioner of Land Administration & Special Chief Secretary, Andhra Pradesh has stated for the transparent and targeted delivery of the 'Annadata Sukhibhava' scheme's benefits and services, accurate identification of beneficiaries is paramount. The Aadhaar number serves as a key and primary parameter for Direct Benefit Transfer (DBT) schemes.

2. The CCLA, AP has stated that the Director of Agriculture, A.P., in the reference 2nd read above has reported that 544323 records are pending at the Tahsildar level for corrections within Webland in the State of Andhra Pradesh and it is noted that three primary reasons for these pending corrections are:

i. Wrong Aadhaar mapping
ii. The same Aadhaar mapped to multiple pattadars
iii. Pattadars without Aadhaar linkage

3. The list of 544,323 records affected District wise as follows:

4. The Director of Agriculture requested expeditious resolution of these Webland issues to ensure that all eligible farmers receive benefits under the scheme. The service for Aadhaar correction in Meeseva is named “Mobile Number & Pattadar Aadhaar Seeding,” and it carries a user charge of Rs. 50/-. It is important to note that for the 544,323 beneficiaries mentioned in the list, while their Aadhaar details are mismatched or not mapped in Webland records due to the identified reasons, all other details in Webland are correct. These discrepancies are currently preventing them from receiving benefits under the 'Annadata Sukhibhava' scheme.

5. In view of the above, the CCLA, AP has requested the Government to exempt the service charge for the “Pattadar Aadhaar Seeding (Survey no. and LPM)" service for corrections in Webland records concerning wrong Aadhaar mapping, the same Aadhaar mapped to multiple pattadars, and pattadars without Aadhaar linkage and this waiver is sought as a one-time measure and is limited to the those pattadars verified by the Agriculture department under the 'Annadata Sukhibhava' scheme.

6. Government after careful examination of the matter, hereby order to exempt the service charge for an amount of Rs.2.72 crores (approximately) for 5.44 lakh beneficiaries as a one-time measure for the “Pattadar Aadhaar Seeding (Survey no. and LPM)" service for corrections in Webland records concerning wrong Aadhaar mapping, the same Aadhaar mapped to multiple pattadars, and pattadars without Aadhaar linkage and is limited to those pattadars verified by the Agriculture department under the 'Annadata Sukhibhava' Scheme.

7. The Chief Commissioner of Land Administration & Special Chief Secretary, Andhra Pradesh shall take further necessary action accordingly in the matter.
